

PACIFIC SCHOOLS GAMES

A number of DVAC athletes opened their Track & Field season early this year by competing in the Pacific Schools Games Victorian trials at Olympic Park on Friday 12th September and Saturday 13th September. Conditions at Olympic Park were dominated by strong winds which made for some great times in the short sprints. Congratulations to the DVAC athletes who have made the Victorian team, achieved a PSG qualifier or simply turned out and did their best.

The 2008 Pacific Schools Games will be held at the AIS Athletics Field, in Canberra from the 30th November until the 6th December 2008 and will incorporate the 2008 Australian All Schools & Youth Athletics Championships.

A number of the performances are better than existing DVAC records but are subject to confirmation taking into account the wind readings. The normal tolerance for ratification is nothing over a 2.0 wind reading.

There is no doubting that Kurt D'Lasselle has smashed two of his own club records. In the Discus (1.5km), Kurt extended his own club record by just on 5 meters with a throw of 56.17m. In the Hammer Throw, Kurt sent the 5kg Hammer out a distance of 54.49m to record a 2 meter pb. Great start to the season when it is still only September!

(Apologies if any DVAC athletes have not been included.)
